

CORPORATE HOSPITALITY

WHAT DO WE DO?

Corporate Hospitality is a key component of any business and we believe that if you have to entertain your clients that you should have the best and most creative options that are value for money coupled with the one to one service and with a consistent eye to attention to detail. Come to us and tell us what you need or give us a brief and we can come up with options for you and because of our network, we plan and deliver the services you require taking care of everything from transport to accommodation to the event itself. From the beginning to end you will see touches like themed gift bags that will help add that little bit extra to the whole event. If your needs are a little simpler, we have links with restaurants, bars and clubs and can get tickets to any sporting or musical event around the world but the team's strengths are in the unique and the original. Contact us now for more information.

WHAT HAVE WE DONE RECENTLY?

Our team recently provided a private financial institution with an evening to help entertain four key clients. The evening began at a central London restaurant where they had a private meal prepared off menu by a Michelin starred chef and then transport over to a cinema close by where they had a private IMAX screening of a new Hollywood blockbuster and then a chance to meet members of the cast and enjoy drinks in the bar above the cinema overlooking London by night.

Our team recently organised a dinner for the clients of an insurance company in Africa. We rented a restaurant out and the company hosted firstly a cocktail party sampling fine South African wines and then a sit down three course dinner prepared by the head chef which ensured that by the end of the night, the clients of the company were very happy and content.

WHAT IDEAS CAN WE GIVE YOU?

Do you have a long term client who is a bit of "car nut"? Well why not enjoy a weekend at the Monaco Grand Prix with access to the Mercedes Benz Team's Paddock and seats in a luxury apartment overlooking the racetrack. Are you trying to build relationships with a new client who happens to be a massive fan of Cirque du Soleil? Why not a private dinner at a nearby five star restaurant, car service to the Albert Hall and a private box with champagne and dessert.

Do you want to take your fellow directors to the Royal Film Premiere in London? Well, why not a private dinner in a pod on the London Eye overlooking the Thames and then go by private car to the cinema and take your seats. After the screening, wrap the night off with drinks at a nearby private bar.
